Powder Horn is a resource course designed to introduce Scout adult and youth leaders to exciting high adventure possibilities for their units and show them how to make them a reality!

*It uses expert consultants from the community to introduce a wide variety of activity and outing opportunities for their Venturing Units.*

Crews are formed from the participants and everyone is able to experience and learn how to motivate their home units.

*Activities may include kayaking, canoeing, sailing, fishing, expedition planning, GPS navigation, backpacking, first aid, rifle, pistol, shotgun, high and low COPE, geocaching and much more.*

This course will be open to all adults and Venturing age youth (male and female, **16 YEARS AND OLDER!**)

*All participants should be mature leaders and registered members of the Boy Scouts of America.*

Youth participants will be asked to provide an adult Scouter reference (preferably a Crew Advisor, Scoutmaster or Skipper) to confirm ability to meet expectations. The form will be emailed to you from the Course Director.

*The course is looking to represent as many different Crews as possible.*

**Register EARLY as there are only 48 spots available!**
