

Mission Trails Regional Park Foundation

Plant Science Merit Badge Class

August 27, 1:00 to 3:00 p.m.

Mission Trails Regional Park Foundation Education Program Instructor, Alicia Berg, is offering a FREE, 2-hour Plant Science Merit Badge class. There will be classroom and in-the-field learning and participation opportunities. The information will relate to the requirements of the Boy Scout Plant Science Merit Badge.

- Class is limited to 20 boy scouts. Parents and Scout leaders are welcome. Scouts must be signed in/out by an appropriate adult.
- Register as soon as possible to ensure your spot.
- Please wear your Class A field uniform, appropriate footwear and bring your merit badge booklet, paper, pen, a blue card filled out and signed by your Scoutmaster, a water bottle and snack (if needed).
- For questions, contact Alicia Berg at aberg@mtrp.org

You may register through the Boy Scout Council website at www.sdicsa.org. Click on "Activities and Civic Service" and choose Advancement Events
