

# Boy Scouts Day

at the San Diego Model Railroad Museum  
October 13  
Anytime between 11:00 am to 3:00 pm

Take a self-guided tour to explore different types of railroad bidges, and discover the science and technology behind them.

Experiment to learn why arches and triangles are used in the design and construction of railroad bridges. Earn your SDMRM STEAM Engineering patch on sale for \$5 ea.

Admission is \$6.00 for Adults & \$4.00 for Scouts.  
Scouts can come individually or as a troop.
