On August 14, 1945, World War II ended, marking the culminating moment of the greatest national effort in our history. Our celebration of this date will allow children to talk one-on-one with over 100 WWII Veterans, Hometown Heroes, and Rosie Riveters, to learn what it was like to be a proud American on the day when they heard Japan surrendered to our USA and this War was over. Bring your family to meet Veterans including Pearl Harbor Survivors, a Marine who served in both WWII and Korea, nurses, true "Rosie Riveters", one who became a Marine and many other San Diegans who are WWII Americans! Many others will arrive on their own with their wonderful contributions to history. WWII Americans are our stars of this day! 28 piece American Flyboys, a top rated big band will play music popular in the late 1930's, 40's and Swing Era. There will also be WWII reenactors and special Museum exhibits! Yes, join them and wear your clothing from those years (or Scout Uniform!) Let's all celebrate and appreciate our freedom even more by learning from them and passing along their stories and value system to our future generations!
