

TROOP 747 MERIT BADGE DAY

August 18, 2018

Troop 747 is hosting a Merit Badge Day at the Vista Innovation Center on August 18, 2018.

To view merit badges that are available and to register for the event:

<https://www.eventbrite.com/e/troop-747-merit-badge-day-tickets-44481933661>

This Boy Scout Merit Badge event is open to any Boy Scout from any Troop.

Our merit badge counselors have a passion for the classes they teach. They either work in the field they teach or have a serious interest for that particular merit badge of study. Each counselor sets the number of prerequisites so that the Scouts get first-hand instruction during the time allotted. Scouts, who attend with prerequisites completed, can expect to leave with a signed completed blue card.

There will be no on-site registrations or walk-ins.

For further information, please contact LINDA LATIMER @ linda-promgmt@cox.net. If you are a registered merit badge counselor and are interested in teaching a merit badge at the event, please contact Linda.

Yours in Scouting.

Thank you!!
