

2019 Team Spyder Robotics iTech Exploring Program

This event is brought to you by the San Diego-Imperial Council Exploring Program and Team Spyder Robotics at Poway High School.

Students who attend iTech events will be introduced to the exciting field of STEM, get a firsthand feel for the work that is done at local STEM businesses/organizations, and have an opportunity to ask questions from experts in the field.

What: Students will have an opportunity to build and program a LEGO Mindstorm EV3 bot to complete objectives in a course, utilizing the touch, color/light, and ultrasonic sensors.

When: February 14th 5-7pm

Where: Poway High School
15500 Espola Rd

Drive down Titian Way and park in the student/staff parking lot which is the last entrance on the left. Walk in-between the N2 and N3 buildings and take a left after the gate and the room will be the sixth door on your left, room N3106.
