

## Memorial Day Flowers 2018

### Miramar National Cemetery

To honor those who have served our country, the Boy Scouts of San Diego-Imperial Council, Rancho Mesa District, will be partnering again with the Memorial Day Flowers Foundation for an event at the Miramar National Cemetery. Scouts and any interested volunteers are invited to place flowers at 13,000 burials.

Headquartered in Washington, DC, the Memorial Day Flowers Foundation is a non-profit organization that honors those who have served our country. Commencing with Arlington National Cemetery, the Memorial Day Flowers Foundation has expanded to include flower placement at 30 National Cemeteries across the United States as of 2018. CalFlowers is sponsoring the event locally by providing all of the flowers for Miramar National Cemetery. Please join us for this important event.
