Scouting for Food is the Boy Scouts' largest Good Turn effort each year! Across the country, nearly 4 million Scouts and their leaders will take part in this important Good Turn for America by collecting food for needy families in our community. Join us in 2012 by taking an active role in aiding our community through our *own* Council Scouting for Food campaign, in partnership with the Salvation Army, Rotary International, and more!

The activity is simple:

- After you sign up, your unit will be assigned a geographic area to collect food. This area will typically be near your unit meeting location. Please feel free to provide your recommendation of boundaries below.
- Once your area has been assigned, we ask you to drive the area to get an estimated door count in order to know how many flyers will be needed.
- Next, you'll secure involvement from as many boys and adults as possible to help!
- In **February**, pick up bags and flyers at your roundtable or at the council service center.
- **March 3rd** ~ Distribute Scouting for Food bags and flyers, in Scout uniform, to homes in your designated area.
- **March 10th** ~ Return to your designated area, in Scout uniform, to collect filled bags between 10am and 1pm. Deliver food to designated sites in your district starting at 11am!
